CAEDENCE

MUSIC EDUCATION & PERFORMANCE SOFTWARE

CAEDENCE IS BUILT FOR

EDUCATORS

- Quickly build and share your song library with students in the cloud

- Keep your students on beat with synced cross-device playback

- Seamlessly move between classroom and asynchronous methodologies

- Streamline differentiation with student-customizable views

- Inspire cross-discipline creativity by syncing lights, visuals, and more for next-level performances

- Create and manage student accounts and bands on a secure private server
